

**REMARKS**

As originally filed, claims 5-8, 18 and 19 did not comply with the multiple dependent claim style specified by U.S. law. The amendments submitted above have been made to delete all multiple dependences and to place the claims into better condition for U.S. prosecution. New Claim 24 is directed to the subject matter which was cancelled from original Claim 15 resulting from the change in dependency. No new matter has been added by way of these amendments.

It is respectfully requested that the above amendments be entered before an action on the merits is issued.

Respectfully submitted,
